

OU-ITB Scientific Workshop Collaborative Research on Quantum Engineering Design

December 12, 2011

Venue: P2 Building, 2nd Floor Meeting Room

Program

10:00 – 10:10	Welcome Greetings Hermawan K. Dipojono Department of Engineering Physics, Bandung Institute of Technology
10:10 – 10:30	<i>Platinum Based Anticancer Drugs</i> Musa Alaydrus Department of Precision Science and Technology and Applied Physics, Osaka University
10:35 – 10:55	<i>Solid Oxide Fuel Cell</i> Tran Linh Phan Thuy Department of Precision Science and Technology and Applied Physics, Osaka University
11:10 – 11:30	<i>T.B.A</i> Chantaramolee Bhume Department of Precision Science and Technology and Applied Physics, Osaka University
11:35 – 11:55	<i>T.B.A</i> Ganes Shukri Department of Precision Science and Technology and Applied Physics, Osaka University
11:55 – 12:00	Picture Taking

Moderator: Susan M. Aspera
